

## **THE PREMIUM BRAND**

Bridgford Foods Corporation realizes the value in supporting its customers and their involvement in making communities a better place to live across the U.S.A. To do so, Bridgford has rolled out this unique Fundraising opportunity and invites all organizations, clubs, youth groups, student groups and charity groups to partake. Specifically, Bridgford is allowing these pre-approved groups the ability to buy product at a predetermined cost well below retail price and turn around and sell them at a profit. All of the net revenue raised through the Bridgford Meat Snack Fundraising campaign will be kept by the group to fund their projects and goodwill campaigns. Bridgford believes firmly in supporting its customers and looks forward to making a positive impact in your community.

If you are interested in applying, please contact our pro angler Matt Stefan at [mstefan14@gmail.com](mailto:mstefan14@gmail.com) or Baron Bridgford Jr. at [baronb2@bridgford.com](mailto:baronb2@bridgford.com) and provide a brief description of your organization and what the funds will be used for. Once approved, Bridgford will provide a discount code to purchase the product through our online store. Additionally, an order form will be provided to help your organization keep track of its sales. The Bridgford Fundraising program allows the approved organization the ability to purchase product in bulk at a reduced rate. The organization can then sell the product at events and pricing they determine. The funds generated by the organization can then be used at their discretion.

The fundraising form allows the organization's members the ability to go door-to-door to sell individual products at the predetermined pricing. Once the fundraising campaign is over, the organization can easily total the order forms to make its purchase from the Bridgford website at the reduced rate. Bridgford will then ship all of the product to the organization who will have the responsibility of distributing the product out to each individual that purchased Bridgford items.

Both fundraising options allow the organization to profit 100% of all funds collected. For example, if a high school fishing team sells \$500 in product, that team will profit \$250 for their efforts! Shipping usually takes 3-5 business days from the time the order is placed and qualifies for the \$5 flat rate shipping fee (within the continental U.S.). If you have additional questions please contact Matt Stefan or Baron Bridgford Jr. at the above referenced emails. We look forward to supporting your organization as it strives to reach its goals!

Sincerely,

Bridgford Foods Corporation
